

INFORMATION AND RETURN
COUNSELLING CENTER IN
BREMERHAVEN

ARE YOU THINKING OF LEAVING GERMANY?

At a return counselling session, you can discuss your situation anonymously.

We provide information about the possible support for departure and reintegration.

Return counselling is unbiased, individual and confidential. It does not oblige you to leave Germany, nor affect your asylum procedure.

If needed, we can arrange the appointment in your native language.

Co-funded by

Co-funded by
