## II. Health Care (1/2)

### I. General information

Georgia offers a universal health care program funded by the state. It provides a number of packages in ambulatory and in-patient care.

#### Universal Health Care:

- Open to citizens of Georgia as well as asylum seekers, and persons with humanitarian or refugee status
- In-patient treatment and some ambulatory care are fully covered
- Treatment of HIV and TB as well as insulin for diabetes patients are free of charge
- Dialysis is also available in several clinics
- For drug addicts, state funded Methadone Substitution program is available free of charge. At an initial phase only an enrollment fee of 70 GEL has to be paid
- Medical costs for child-care (up to age 5) are partly covered depending on illness
- Contact the Ministry of Health and enroll at the nearest clinic
- Information on health-care providers can be found at: <http://cloud.moh.gov.ge>

#### Costs:

All costs which are not covered by the state insurance have to be paid by the patients. For pensioners, the government has 100 GEL allocations in the district municipalities every three months.

#### Benefits:

Benefits include planned out-patient services located near the place of residence; services of family doctors (100%); tests and treatment prescribed by relevant profile doctors after referral (70-100%); certain emergencies (100%); planned surgeries (70%); chemotherapy (80% with a limit of 12.000GEL/year); child delivery (max. 500GEL), caesarean (max. 800GEL).

### 2. Medical treatment and medication

#### Medical facilities and doctors:

All clinics in Georgia are privatized and Universal Health Care does not cover all costs. Georgian citizens can address any clinic at any time, based on their needs. However this service has to be paid. Preferably, call and sign up for an appointment. There are daily waiting lists for urgent cases.

#### Main Medical Facilities:

- Tbilisi Central Hospital; I Konstantine Chachava St, Tbilisi 0159; Tel: +995 322 10 44 44;
- Medical Centre CITO; 40 Zakaria Paliashvili Street, Tbilisi; Tel: +995 322 29 06 71
- Research Institute of Clinical Medicine; 13 Tevdore Mgydeli St., Tbilisi 0112; Tel: +995 322 34 81 19

## II. Health Care (2/2)

---

### Procedure of admission:

Patients can call and sign up for an appointment. For State Insurance, patients have to consult their doctor (according to their place of residence) who will then refer them to a relevant specialist. Some appointments and medicines are covered by the State Insurance.

### Availability and costs of medication:

Major pharmacies in Georgia provide a variety of medication. The availability of certain medicaments can be verified by their brand names or generic names either online or by phone at the following sites:

- Medical Information Service  
<http://www.mis.ge/ka>  
+995 032 2 252233
- Ministry of Labor Health and Social Affairs  
<http://apps.ssa.gov.ge>

Most of the drugs are not covered by the state programs. Therefore patients have to bear the cost on their own. For some drugs a prescription is necessary. In this case, the patient should contact the relevant doctor and obtain the prescription first.

## Health Care System: Access for Returnees

### Eligibility and requirements:

All citizens of Georgia as well as asylum seekers, and persons with humanitarian or refugee status are eligible for the health insurance system in Georgia.

### Registration procedure:

Georgian citizens automatically become participants of the state insurance. However, registration is necessary in order to enjoy benefits of the programme. For this purpose, returnees should call the 15-05 hotline of the Ministry of Internally Displaced Persons from the Occupied Territories, Labor, Health and Social Affairs of Georgia or directly contact the nearest polyclinic, medical centre or hospital for registration.

### Required documents:

Valid Georgian ID.

# III. Labour Market and Employment (1/2)

## I. General information

According to the National Statistics Office's official data for 2018, the rate of the economically active population (aged 15+) in Georgia is at 63.9%. The high level of the economically active population in rural areas is due to the low income jobs in agriculture.

Georgia has a relatively high employment rate for persons above the retirement age of 65+ years, as they struggle with the low pension.

Young people (aged 15-25) who live in cities are economically less active. Most employed persons are aged between 40 and 60. Most jobs exist in wholesale and retail trade, repair of motor vehicles, personal and household goods sectors, in industry, and in construction.

The average monthly income per capita is 317.2 GEL (2017, household survey data). Purchasing Power Parity (PPP) has not been calculated for Georgia.

For detailed information see:

[http://www.geostat.ge/index.php?action=page&p\\_id=143&lang=eng](http://www.geostat.ge/index.php?action=page&p_id=143&lang=eng)

The average monthly nominal salary is 999.1 GEL (2017 data). The highest salaries can be found in the financial intermediation sphere (2,008.3 GEL), Construction (1,461.3 GEL), transport and communication (1,288.9 GEL) and in public administration (1236.1 GEL).

The unemployment rate in Georgia is not very high in figures: In 2018, it stood at 12.8%. There are no unemployment benefits for people who lost their job. Unemployment rates are especially high for age groups 19-20 and 20-24 years with 27.1% and 29.1% respectively (2017, Geostat data). Furthermore, according to 2018 data, the unemployment rate is higher for men (13.9%) than for women (11.2%).

## 2. Ways/assistance to find employment

The greatest demand for jobs is in the service sector. The salary scales can be checked at <http://geostat.ge/index>.

## IV. Housing

### Housing: Access for Returnees/Vulnerable Groups

If the returnee is victim of trafficking and domestic violence there are shelters available where they can temporarily stay after returning.

#### Housing for VoTs and victims of domestic violence

The State Fund for Protection and Assistance of (Statutory) Victims of Human Trafficking is a state-run fund which has two shelters for VoTs and victims of domestic violence in Tbilisi and Batumi. On top of this, presumed VoT or victims of domestic violence can be placed at the Crisis Center together with dependents. Shelters and Crisis centre provide the following services to their beneficiaries: daily accommodation; psychological assistance; medical assistance; legal assistance; translator's service. Shelters for victims of domestic violence apart from VoTs shelters operate in Sighnaghi, Kutaisi and Gori and provide all the services mentioned above. For more information please see Website: <http://atipfund.gov.ge/eng> ;Tel.: 116 006.

# V. Social Welfare (1/2)

## I. General information

The social welfare system is composed of the following financial benefits:

- Subsistence allowance
- Reintegration assistance
- Foster care
- Adult family care assistance
- In-kind social aid
- State compensation
- Household subsidy
- Social package

Contacts:

- Social Service Agency (hotline 15-05)

**Costs:**

The registration in order to receive financial benefits from the state social welfare system is free.

**Benefits:**

Families living below poverty line can receive a cash subsistence allowance starting from 30 GEL per family member up to 60 GEL per family member (depending on the family's rating score).

## 2. Pension System

In Georgia, there is only one public pension system, which is based on age: Entry age is 65 years for men and 60 years for women.

**Costs:**

The registration is free.

**Benefits:**

The state pension is 200 GEL.

## Social Welfare System: Access for Returnees

**Eligibility and requirements:**

All Georgian citizens are eligible to access the social welfare system especially those who themselves or whose family members belong to vulnerable group (persons with different disabilities, elderly persons, persons below poverty line etc.).

There are specific programs for some groups (e.g. persons with different disabilities, elderly persons, persons below poverty line) with varying eligibility criteria.

**Registration procedure:**

The returnee should address the nearest office of the Social Service Agency, complete an application form and present their ID. Other required documents vary according to the type of financial assistance requested from the returnee. The returnee will be advised by the agency staff. After submitting all necessary documents, the applicant will receive the benefits within one month. More information about such benefits can be retrieved at

[http://ssa.gov.ge/index.php?lang\\_id=GEO&sec\\_id=34](http://ssa.gov.ge/index.php?lang_id=GEO&sec_id=34)

If a person wants to obtain a social package, a social service agency will review this application and will make the final decision within a maximum of 10 calendar days. Further information can be obtained at [www.ssa.gov.ge](http://www.ssa.gov.ge) or by calling the hotline 15-05.

**Registration documents:**

The applicant's ID is the most important document. Other documents may be required depending on the type of requested service.

## V. Social Welfare (2/2)

### Pension System: Access for Returnees

**Eligibility and requirements:** Currently there is a public pension system in Georgia. People are eligible for it if they fulfil one or more of the following criteria:

- Reaching the pension age (65 years for men, 60 years for women)

An accumulative pension system has been introduced since 2019, which is voluntary for persons who are self-employed, also for employed persons above 40. The participation in the system is obligatory for Georgian citizens below 40 who are employed, as well as foreigners who hold a permanent residence permit of Georgia. 2% of the participant's salary goes on their personal pension account. In addition to this, Government and employer will add 2-2% to the person's account. When reaching the pension age, the participant is eligible to receive accumulated pension on a monthly basis.

#### Registration procedure :

Application has to be submitted to the nearest social service offices. The decision will be made within 10 days. Receiving a foreign pension excludes persons from the Georgian state pension.

#### Registration documents :

An ID document and (if applicable) proof of fulfilling the respective criterion are required.

### 3.Vulnerable Groups

The Social Service Agency is responsible for helping people below the poverty line. The State social programmes provide assistance to the following groups:

- Disabled people
- Elderly
- Orphans

#### Assistance for vulnerable persons :

The program Provision of People with Mental Disorders with Asylum provides daily service. Eligible for this program are persons older than 18 years, having dementia caused by congenital or acquired mental diseases, as well as mental disorders, requiring the service stipulated by the program.

Furthermore, there are financial benefits for several groups:

- Socially vulnerable people (below the poverty line): from 30 to 60 GEL per family members (depending on the family's rating score)
- Disabled people with severe disabilities: 200 GEL per month
- Disabled people with mild disabilities: 120 GEL per month
- Unaccompanied minors (with dead breadwinner) up to 18 years: 100 GEL per month
- Foster care families: 200 GEL per month (375 GEL per month for a disabled child) if the families are related to the child. If they are not related: 16 GEL per day (30 GEL per day for a disabled child)

# VI. Educational System (1/2)

## I. General information

State kindergartens are free of charge. Registration is done online according to the procedures adopted every year, usually several months before kindergarten and school starts (March, April). In primary schools registration is done in several stages. The procedures are established by the Ministry of Education. <http://emis.ge>

Precondition for entering higher educational institutions is the successful passing of Unified National Exams. Every person presenting the document of completed secondary education can participate in the exams. Citizens of Georgia, who have obtained the document of completed secondary education or/and the right to access higher education abroad, can also participate in Unified National Exams.

| Educational Level                                   | Age     |

| e.g. Collegen, University, Professional School etc. | From 18 |

Registration can be done online:

<http://registration.emis.ge/>

30 universities, 24 educational institutes, and 9 colleges have an international accreditation; the list can be found at:

<http://mes.gov.ge/content.php?id=1855&lang=geo>

## 2. Costs, loans and stipends

Education in public schools is free. With regard to the results of the national exams, students in higher educational institutions are granted state grants in accordance with the rules defined by the Ministry of Education and Science of Georgia. The grants vary between 100%, 70% and 30%. In 2018, 1011 students received a 100% state grant, while 70% state grants were given to 1455 students, and 30% state grants to 4077 students.

### Access and requirements to stipends and/or loans for covering tuition

There are different types and amounts of stipends available at the institutes and universities with different requirements. There are as well governmental stipends and exchange programs with different foreign universities. For more information please visit

- <http://mes.gov.ge/>
- <https://edu.aris.ge/>

## Educational System: Access and Registration Procedure for Returnees

Returnees have access to the educational institutions like any other Georgian citizens. For kindergartens, schools and universities there is online registration. Students are enrolled in the state and private higher educational institutions with regard to the results in the national exams.

## VI. Educational System (2/2)

### 3. Approval and verification of foreign diplomas

The state recognizes only diplomas of authorized higher institutions. Required documents are:

- Application form, prepared in Georgian language or bring a notarized translation
- Copy of ID card (in case of foreign citizens, the notarized translation of passport copy)
- If another person files the application: document certifying the power of attorney
- If a parent files the application: notarized copy of child's birth certificate
- Translated and notarized copy of educational documents:
  - Certificate of complete general education and its supplement
  - Certificate of base education and its supplement
  - Certificate of primary education and its supplement
  - Vocational Diploma and its supplement
  - Higher Education Diploma and its supplement document certifying the awarded academic qualification

- Recognition of qualification acquired abroad costs 40 GEL (for one month); 80 GEL (in 15 days) 120 GEL in 5 days and 250 GEL in one day

Approval and Recognition is subject to general education, vocational education, and higher education.

Recognition is not valid to preschool education (kindergarten). Residency (postgraduate medical training) is recognized depending on the case and education acquired within exchange programs without involvement of the Ministry of Education or Center of Education of Georgia, will not be recognized.

Studies in higher educational institutions without taking Unified National Exams or Unified Masters Exams are possible for students who have been studying abroad for at least 2 years. Interested students should address:

- National Center for Education Quality Development  
Quality Development I

## VII. Concrete Support for Returnees

### 1. Reintegration assistance programs

The Ministry of Internally Displaced Persons from the Occupied Territories, Labor, Health and Social Affairs of Georgia implements reintegration programs throughout Georgia. Namely, Department of Labor and Employment Politics, Division of Migration Issues. Hotline of the ministry: 1505. From 2019 state's budget, 650 000 GEL has been allocated for the program.

#### Requirement:

Having been living outside Georgia for over one year; addressing the center within one year after return.

Services are limited, so not everyone addressing the center can get the assistance, however medical assistance and assistance to socially vulnerable persons is aimed to be rendered to all in need.

### 2. Financial and administrative support

- Medical assistance – provision of prescribed medications and services up to 1000 GEL
- Income generating activity – 500 GEL up to 4000GEL
- Vocational education courses-up to 1000GEL
- Temporary accommodation – up to 240 GEL (per person) up to five days (including food). e.g. hostel, guest house.

### 3. Support to start income generating activities

Income generating activities can also be financed by the Ministry of Internally Displaced Persons from the Occupied Territories, Labor, Health and Social Affairs of Georgia.

- Address: 0159, 144 Akaki Tsereteli Avenue, Tbilisi; Hotline: (+995) 322 1505

The returnees can address banks or micro credit institutions for co-funding. However interest rates are quite high, so most people choose not to use such assistance.
