- ✓ For tax registration and payment, contact GRA office in Banjul and Kanifing Website: <http://www.gra.gm/>

II. Health Care

I. General Information

The Gambia healthcare system is built around 3 levels which are Primary, Secondary and Tertiary. The government is operating four referral hospitals, eight main health centers, sixteen smaller health centers; more than two hundred mobile clinic unit teams as well as the Medical Research Council which is funded by the UK Government. There are also several privately-run clinics and health focused NGOs operating. Patients have the option to access healthcare in these facilities.

Primary healthcare is focused on village level and village health worker and a traditional midwife are trained and then assigned to deliver primary healthcare to their village of responsibility. Secondary health is the second level of health care system where medical care is provided by the large and small health centers across the country.

Tertiary healthcare services are delivered by four referral hospitals (Medical Research Council (MRC), several private clinics and NGOs operated clinics). The main referral hospital is the Royal Victoria Teaching Hospital (RVTH) in Banjul and three other referral hospitals are located at Bansang, Farafenni and Bwiam.

Benefits:

- Medication in government hospital and health facilities are free or at low cost

Costs:

Consultation fee at government health centers and hospital are:

- persons above 5 years pays GMD 25
- Free consultation for children below 5 years

2. Medical treatment and medication

Medical facilities and doctors:

Approximately 63% of total health expenditure is drawn from government funds with bilateral and multilateral donations, external borrowings, grants and NGO funds providing the remainder.

Identification Document needed for medical treatment:

Procedure of admission:

To be admitted into the health facility, patient needs to present:

- National identification cards or passport
- Birth certificate
- Anti-natal card (for pregnant woman)
- Clinical card (for children under 5 years)

III. Labour Market and Employment

I. General information

In The Gambia, agriculture tended to be highest employer and mostly informal job, e.g. (subsistence farming, horticulture, animal rearing, and fishing) Other sectors such as finance, construction, hospitality and manufacturing also provide job. The requirement for most of these jobs for Gambian nationals are birth documents (e.g.; birth certificate, national Identity Card, Passport) and education or training credentials. Candidates for appointment are required to submit to the appointing authority:

- An application in their own handwriting, typed filled on the prescribed form;
- Satisfactory evidence that they fulfil the minimum requirements for the position they are applying;
- A birth certificate or affidavit sworn before a Notary Public certifying date and place of birth.
- One or more testimonials and curriculum Vitae (CV).

Employment aged is 18 year and up to 65 in the Gambia government institutions.

<https://www.ssa.gov/policy/docs/progdesc/ssptw/2010-2011/africa/gambia.html>

2. Ways/assistance to find employment

In the Gambia there are few employment Agency that is dealing with assistance and job listing:

- GAMBJOBS, 3 Essa Joof Road, New Jeshwang, Serrekunda, info@gamjobs.com website: <https://www.gamjobs.com/>

- AMRA is a consultant company that delivers services which include advertising, recruitment and market research.
- Gamjobs.com is a career and networking platform that provide job listing and career counseling

Benefits and Costs:

Gamjobs offer training on CV writing on Fridays costing One hundred Dalasi

4. Further education and trainings

Additional services offered by the Employment Agency includes; Professional orientation , training on CV writing (cost is D100), individual counselling

Unemployment Assistance: Access for Returnees

The Tekki Fii campaign is a movement by Gambians, for Gambians. It's about helping young people in the country to see the benefits of choosing to 'make it' at home rather than risk all that they have to seek opportunities in Europe through irregular migration. Through this campaign, the government is working with the business community, youth groups and development partners to show young people – especially those most vulnerable to migration – that they can not only survive but thrive in The Gambia. The Tekki Fii campaign is coordinated by the Government of The Gambia through the Office of the Vice President and technically supported by the International Trade Centre's Youth Empowerment Project (YEP).

Eligibility and requirements:

The returnee should get registered at the Employment Agency

Registration procedure:

Returnee need to registered or subscribe to the website for job searching and unemployment assistance. After subscription and or registration returnee need to pay follow-up and search the net.

Required documents:

Valid national ID card, Passport, Birth Certificate, existing diploma, certificate and curriculum Vitae (CV).

IV. Housing

1. General Information

The Gambia has a limited housing finance sector. As the mortgage market does not yet meet the breadth of the population who might afford a mortgage, most households still finance their housing independently with savings or non-mortgage credit. In urban areas, most people rent or purchase their own house. The lowest recorded interest rate on a mortgage in The Gambia is 20 percent, with a 30 percent down payment.

- Banjul: Rental fee for a two-room-apartment in Banjul (city): ranges between GMD 2500 (USD 52.19) to GMD 5000 (USD 83.51).
- Serrekunda range between GMD 2000 (USD 41.75) to GMD 3000 (USD 62.63).
- Brikama ranges from GMD 1500 (USD 31.31) to GMD 2500 (USD 52.19).
- Bakau: Rental fee for a two-room-apartment in Bakau ranges between GMD 2000 (USD 41.75) to GMD 3500 (USD 51.1).
- Farafenni: Range between GMD 1500 (USD 31.31) to GMD 2500 (USD 52.19).
- Rural Areas: Across the country villages have different rental fees depending on the location. Estimate for a two-room apartment in rural areas (provinces) ranges from GMD 500 (USD 10.44) to GMD 1500 (USD 31.09)

2. Ways/assistance to find accommodation

- Bakoteh shelter is public accommodation that shelter for vulnerable persons. Website: <http://www.sheltergambia.com/sheltergambia.html>
- There are apartments for rent <https://www.booking.com/guest-house/country/gm.en-gb.htm>

3. Social grants for housing

- The country has no social grants for housing
- Bakoteh Shelter is the sole government-run shelter for vulnerable individuals, including stranded migrants, unaccompanied children and victims of trafficking.
- The Gambia Social Security Housing Finance Cooperation (SSHFC) is the sole provider for social protection. Website: <https://www.sshfc.gm/>
- IOM offer returnees with accommodation in transit center for few days before departure to their community of origin

V. Social Welfare (1/2)

I. General Information

The institution that citizens of the Gambia can pledge for their social right includes department of Social welfare which has offices in the all regions; Social Security Housing Finance Cooperation (SSHFC) provide social protection services (<https://www.sshfc.gm/>). Alternative Dispute Resolution, is a process of resolving a dispute without litigation. Ombudsman is a provider of administrative justice, responsible to ensure an accountable system of justice within the civil service.

2. Pension System

Social Security Housing Finance Cooperation (SSHFC) is the Gambia's sole provider of mandatory national occupational pension system to members regular monthly income on retirement up to the time of death, based on final salary at the time of retirement. Website:

Costs:

contribution rate is 15% of the employees Basic Salary (i.e. salary without other fixed allowances), the contributions paid by a ratio of 2:1. Each month the employees contribute 5% from their wages and the remaining 10% is paid by the employer on behalf of the employee. <https://www.sshfc.gm/national-provident-fund>

Benefits:

Citizens and includes employees in the Gambia benefits Federated Pension Scheme, the National Provident Fund, and the Industrial Injuries Compensation Fund, Housing finance, mortgage

Registration documents :

Provide copy of National identity document (National ID card, passport, Birth certificate, clinic card, alkalo/chief's attestation, Affidavit from Justice of peace (JP) as well as other relevant document.

Website: <http://www.accessgambia.com/information/health-social-welfare.html>

V. Social Welfare (2/2)

- **Pension System: Access for Returnees**

Gambia National Provident Fund (NPF) ensures members savings are matched by their employers at the rate of 1:2 and paid out to on retirement or should they be made redundant after interest is applied. It is a defined contribution scheme in which both employers and employees alike make fixed contributions into individual members account. Benefits paid out are based on the contributions paid into the members account plus interest accrued from the time of the first contribution up to a member attaining the normal retirement age of 60 years.

- **Eligibility and requirements:**

Full time employees of any nationality working with a registerable organization who are aged between 18 to 59 years can register with the NPF. In addition, any employer and employee to whom, the state Pension Board Act applied before the coming into force of SSHFC Act 2015 are eligible. Also, employees of Diplomatic Missions or International Institutions based in the Gambia who are Gambian citizens can participate in this scheme.

- **Registration procedure :**

The returnee/person must be an employee of an organisation/institution; the individual/organisation apply through filling form at Social security Housing Finance Cooperation.

Under the NPF, the contribution rate is 15% of the employees Basic Salary (i.e. salary without other fixed allowances), because employers matches the contributions paid by employees at a ratio of 2:1. Each month the employees contribution of 5% is deducted from their wages and the remaining 10% is paid by the employer on behalf of the employee. <https://www.sshfc.gm/national-provident-fund>

Registration documents :

- Employment/ contract document
- Birth certificate
- National ID card
- Passport

VI. Educational System (1/2)

I. General Information

The Gambian Constitution mandates compulsory primary education and the fees for the first six years of schooling are free. Website: <http://www.accessgambia.com/information/education.html>

Educational Level	Age
e.g. Child care / nursery school	e.g. 0,5 – 3
e.g. Kindergarten	e.g. 3 – 6
Primary Level	
e.g. Elementary School	e.g. 6 – 10
Secondary Level	
e.g. Middle School	e.g. 10 – 15
e.g. High School, Vocational training etc,	e.g. 15 – 19
Higher Education	
e.g. College, University, Professional School etc.	e.g. From 19

Pre-Primary Education/Nursery Education:

The non-compulsory nursery schools comprise three years of education. Its purpose is the preparation of the children to continue into the primary school.

Lower Basic/Primary Education:

The six years of Lower Basic Education is compulsory and free to all children regardless of race, ethnic, origin and religion. During the primary or Lower Basic Education pupils sit to two examinations called the National Assessment Test (NAT). These tests are to assess the performance of the students at the end of their third and fifth grade. The core curriculum subjects of the lower basic school (primary education) are English language, mathematics, integrated studies, science and social and environmental studies.

Middle and Upper Basic Education:

At the end of the six years of primary school education, students continue to Upper Basic School, a three-year education programme. At the end of the three years, there is a selection examination which marks many students to continue to senior Secondary School education

2. Cost, loans and stipends

Nursery and lower, upper and senior school education are based on the principle of self finance. Part of the cost are covered by the state. The entry requirement to these education level are from D50 to D200

Entry requirement for The Gambia Technical Training Institute (GTTI) and other training institutions in the country accept student admission with the following education level: students who have completed grade 12 (Senior Secondary School) or Grade 9 Junior Secondary School, students dropped out at grades 10 and 11 are considered for enrolment in the training.

Admission fees: GMD 200 (USD 4.18) for the admission at GTTI. These fees range from GMD 100 (USD 2.09) to GMD 250 (USD 5.22) in other institutions. Websites:

<http://www.gtti.gm/>

<https://www.utg.edu.gm/>

<https://www.mdi.edu.gm/admission/>

3. Approval and verification of foreign diplomas

Citizen of the Gambia who have completed their education abroad certificates are recognised by ministry of high education and Ministry of foreign Affairs and Gambian abroad. Citizen with education in other language than English language are translated and authenticated by ministry of Education and Foreign Affairs. The person must approach this ministries for this service.

VI. Educational System (2/2)

Senior secondary Education:

The students who have passed the marks at junior secondary school and who have the necessary funds can continue with three years of Senior Secondary School education. At the end of the Senior Secondary School they must take the West African Senior Secondary Certificate Examination.

Tertiary education and University Education

After passing the exam at the end of Senior Secondary School and provided they have the necessary funds, students can attend either a tertiary institution or a university. Tertiary institutions include the Gambia Technical Training Institute, the Management Development Institute (MDI), the Rural Development Institute (RDI), and the Gambia College. University can be entered straight from Senior Secondary School, or after completing one or more years at Gambia College.

Vocational Education:

Gambia Technical Training Institute (GTTI) provides the highest level of technical and vocational education

Educational System: Access and Registration Procedure for Returnees

Primary school, high school and university education can be accessed through the Ministry of Basic and Secondary Education (MoBSE) and the Ministry of Higher Education, Research, Science and Technology (MOHERST).

There is no access restrictions or addition requirement for returnees to enroll in the education system in the Gambia. The school year begins for Lower Basic School in September and the registration begin in July through September.

Documents required to enroll in nursery school are clinic card and birth certificate. Documents required for lower basic school birth certificate. Student at the level of lower basic, upper basic and senior secondary education require enrollment form, birth certificate and original exam result for enrolment.

VII. Concrete Support for Returnees (1/2)

1. Reintegration assistance programs

Irregular migration along the Central Mediterranean route is increasingly dangerous for migrants. To meet these challenges, in 2017 European Union (EU) and International Organization for Migration (IOM) have developed the Joint Initiative for migration protection and reintegration in Africa through 14 specific actions, aims to protect the security, dignity and rights of migrant along this important and dangerous migration route and to help improving the reintegration of returnees through an innovative approach.

In addition to this, the overall objective and the project specific objective are:

- Support the Gambia to improve the reintegration of returning migrants and to strengthen national structures and capacities in terms of managing reintegration in a dignified and sustainable manner.
- Enable migrants and potential migrants to make informed decisions about their migratory journey and to sensitize communities on migration.
- Strengthen migration data and communications on migratory flows, route and trends as well as on the needs and vulnerabilities of migrants in the targeted countries, in order to support evidence-based policies and programmes design

Beneficiaries are the returnees and the final beneficiaries are the Gambian society and the Government of the Gambia.

Alongside the implementation of EUTF project, IOM the Gambia implement bilateral projects from other Mission. These include German AVRR under REAG/GARP, Switzerland AVRR under RAS 2019, Netherlands AVRR/Worldtools, Italy AVRR (REIN), Egypt AVRR (PROTECT) among others.

2. Financial and administrative support

The project offers wide-range of support to returnee, community and the government in several areas:

- Documentation of personal information of the returnees
- Provision of social protection by accommodation at transit and reception center
- Provision of onward transportation to the returnee to the community of origin/destination
- Provision of different counseling to returnees ranging from, provision of psychological first aid, psychological counseling, medical counseling, reintegration counseling
- Health care: screening of the general health condition of returnees; referral to competent institution for additional and or follow up treatment or information. Community health outreach programmes
- Education: support paying of returnee's education cost
- Economic support: through microbusiness returnees provided with in-kind support to engage in income generating activity.

3. Virtual Counselling

[Contact to an IOM friend in the Gambia!](#)

Virtual counseling offers migrants living in Germany return and reintegration advice from IOM employees in the country of origin. Those interested in returning can inform themselves in a personal conversation in their mother tongue about the different support options for voluntary return and reintegration. Advice is provided via Whatsapp, Skype, Viber and / or Facebook - either at certain advice times or by appointment. Advice is always anonymous, individual and open-ended. People who are considering returning to the Gambia and are interested in virtual counseling can contact our colleagues in The Gambia and receive individual advice.
