About the EU Reintegration Programme

The EU Reintegration Programme ensures for the provision of reintegration assistance to returnees departing on a voluntary or non-voluntary basis from Member States and Schengen Associated Countries to their countries of origin. At the same time, it contributes to an effective return policy in the European Union, ensuring that returns are done in a dignified and humane manner. To implement this assistance, Frontex has concluded a partnership **Caritas International Belgium**, who cooperates with **CCEY-CA** in **Cameroon** to assure the deliverance of high level of support.

About CCEY-CA

CCEY-CA was established in 1989 as a bilateral Cameroon-Canada project, named CCEY, in Cameroon with the goal to promote the creation of new small and medium enterprises and to strengthen those which are viable by assisting the promoters. In 1995 CCEY became CCEY-CA, a local NGO. Since 2000, CCEY-CA is cooperating with European organizations in the field of reintegration of Cameroonian returnees and now in the EU Reintegration Programme. CCEY-CA is an open enterprises incubator and, in needs, may intervene in many domains of business activities.
